Alaor,

You have been very supportive so far and I appreciate your help.

If we win this thing you know I will not forget you have helped us and you will deserve a compensation that we will discuss. But you are not an "equity" partner in this deal, and I do not want to felt forced in anyway.

Oswald wrote the questions and I am happy with that. I will also have someone with me for the meeting, so I am fine.

I will show you the questions we asked if you choose to come Friday, which I would be happy with.
